WMFFC Mission Statement

The Mission Statement of the White Mountain Fly Fishing Club is: "To assist in the development and maintenance of fly fishing opportunities and to promote and participate in fly fishing in its many forms."

We support and practice Catch and Release. We support the use of Barb-less Hooks and harmless netting and release practices. Fish should never be held out of water for longer than you can hold your breath.

Tight Loops

The New Year is here; hope you had wonderful Christmas Holiday. Your Board of directors has planned lots of exciting events for 2008. We will have speakers at our monthly meeting, monthly outings to popular fly fishing destinations like Christmas tree, Hurricane Lake, Reservation Lake, Becker Lake. We will have Fly Tying classes and Fly Rod Building classes, the annual banquet and casting classes. All this and much more for an annual family membership of only: \$30.00. Renewal membership information and an application is on our website at www.wmflyfishing.com. Mail your renewal to: P.O. Box2187 Pinetop AZ. 85935 or renew at our next club meeting.

Our Banquet is scheduled for June 21st. Bud Mast is starting the mailings to Fly Fishing company's asking for donations to our annual banquet. But, the most precious banquet raffle items are made by our members, so if you can make a donation for our banquet raffle it would be greatly appreciated. I'm looking forward to our banquet, see you there.

Mark your calendars for two great club outings. The first is a four day outing over the Memorial Day weekend, May 23 – 26 at Hurricane Lake and the second is June 6th & 7th for a club outing at Christmas Tree Lake.

See you on the water.

OUTINGS, OUTINGS AND MORE OUTINGS...

Did you enjoy the club meetings, programs and outings we had in 2007? This year will even be better, but we need your help. This year could be a good year to get involved in our club activities, attend an outing, help plan an event or help with the banquet. Believe me, it is rewarding and you will learn more about our club members and more about fly fishing. The people you meet working at our activities are incredibly generous and interesting people. Make a commitment to get involved in club activities, contact any board member and find out what you can do to help make our club better.

SPECIAL ANNOUNCEMENTS AND UPCOMING ELECTIONS

Nominating Committee Report:

We have received several names for nominations and offers for committee work. The nominating committee has reviewed the updated Bylaws and has noted that elections are held in the summer after the ballot is announced in the June newsletter. Therefore, we are too early for our call for nominations now but we will continue to accept more nominations.

We do need help however, for our fund-raising activities, banquet, and tournament. I need help with the outings and several of the members have volunteered so I will be calling on them.

Our club has some very exciting events planned for 2008 and it is always more exciting when we have your participation.

Respectively Submitted:
Fran Stier
